EXPECTATIONS OF THE EIGHTIES,

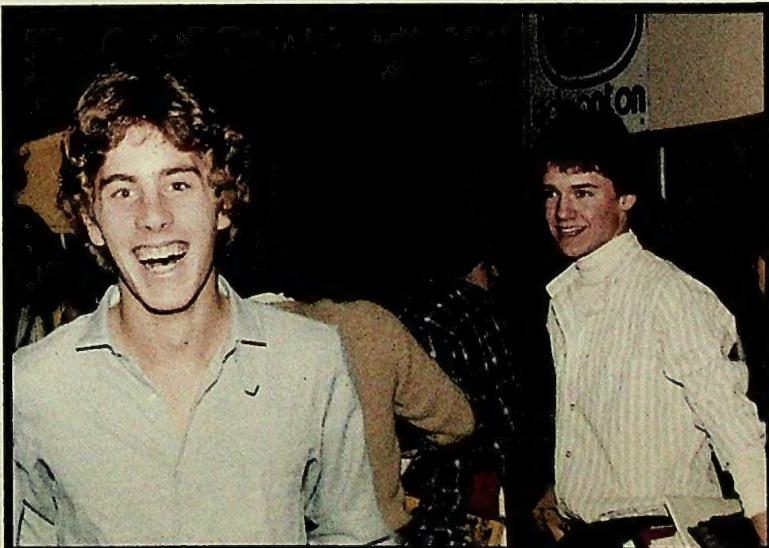

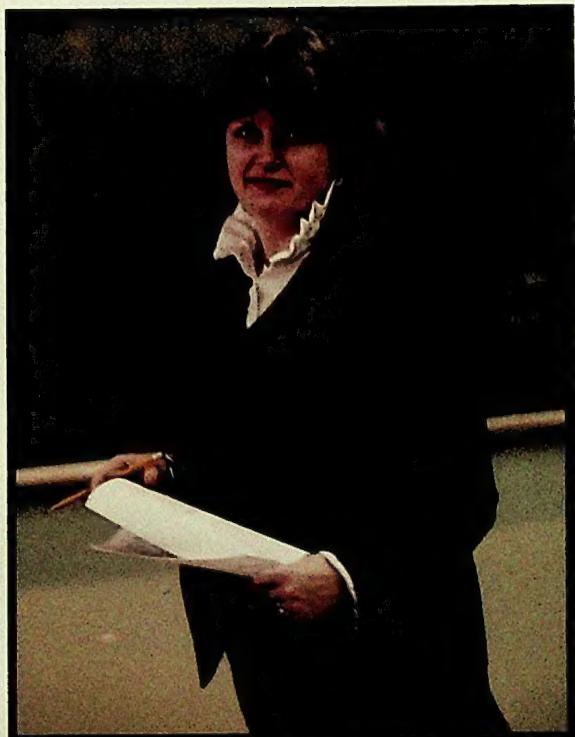

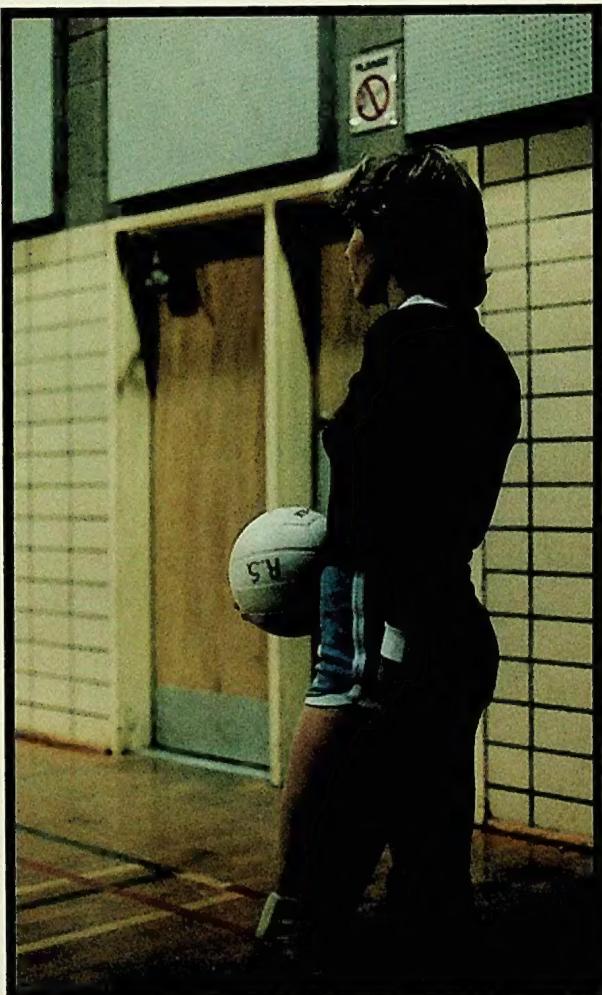

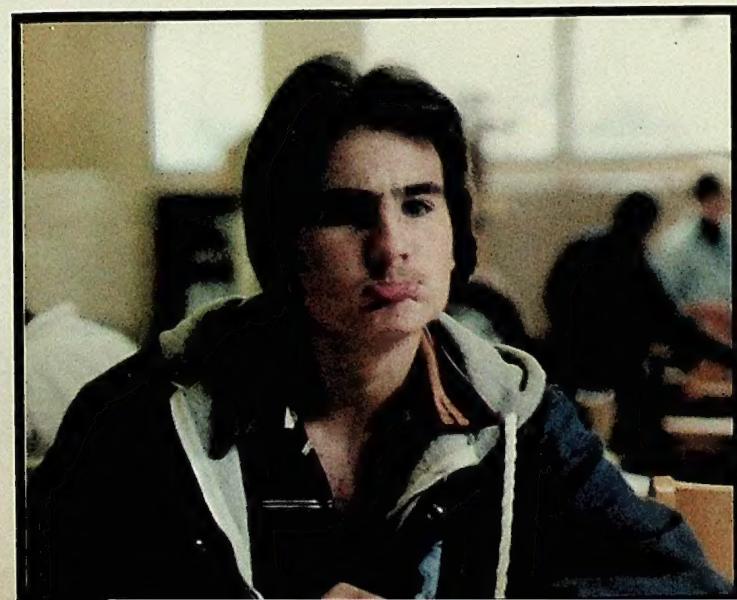

ANTICIPATION,

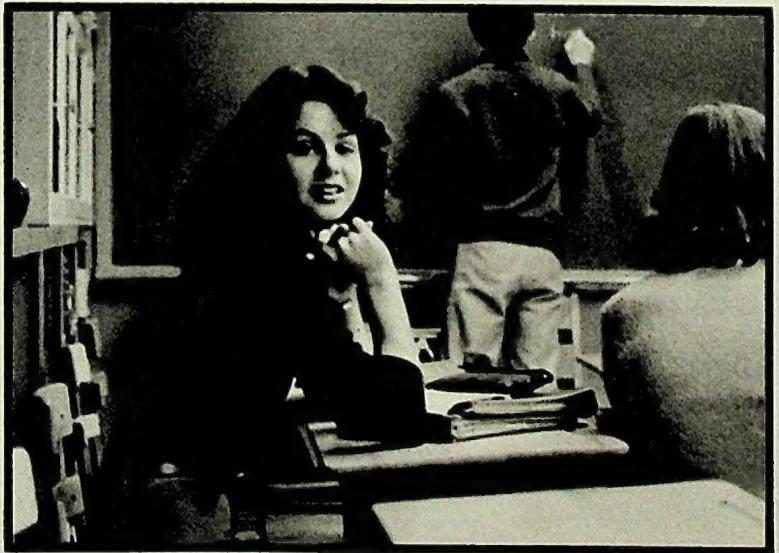

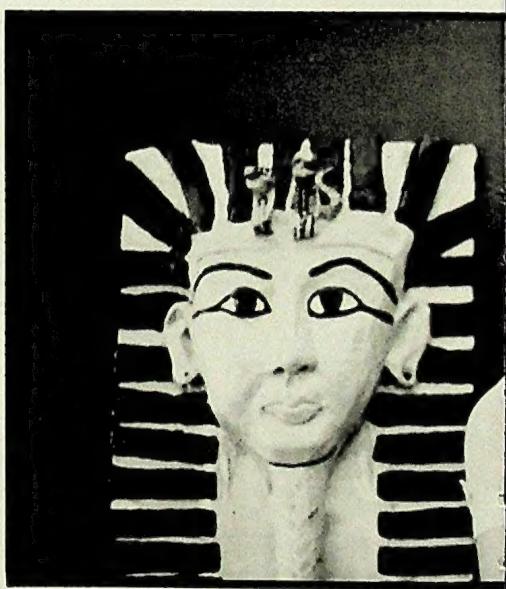

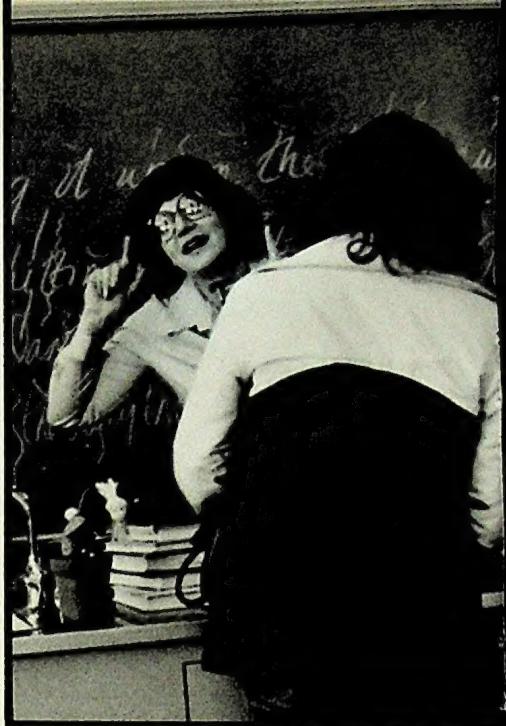

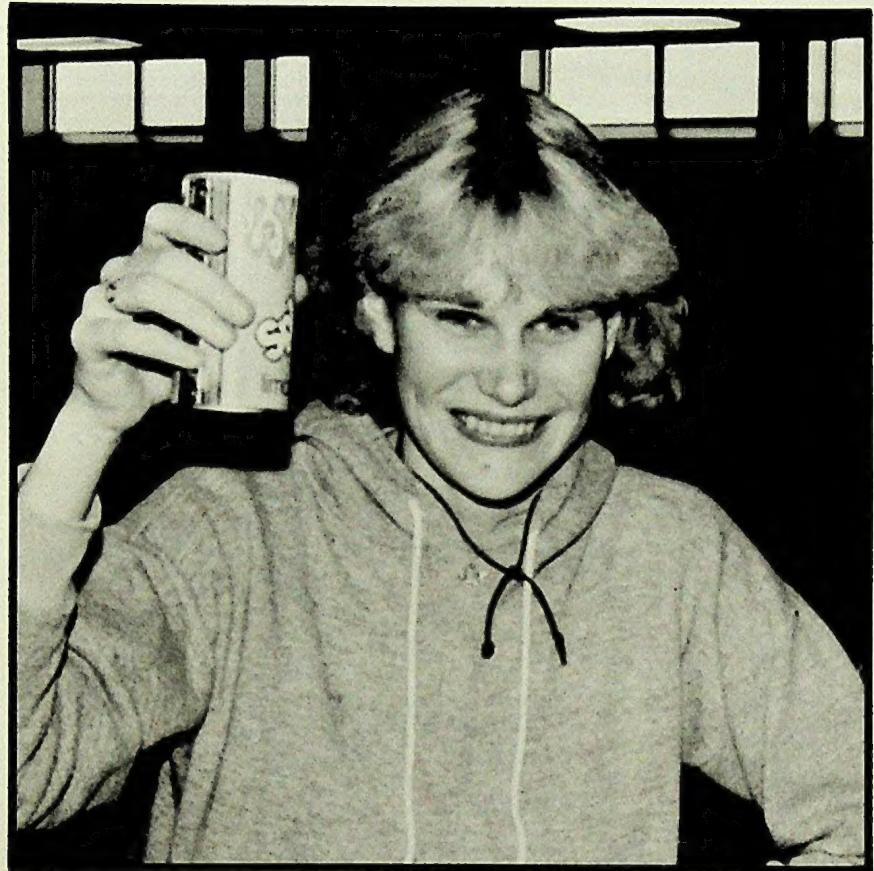

WISHES AND DREAMS

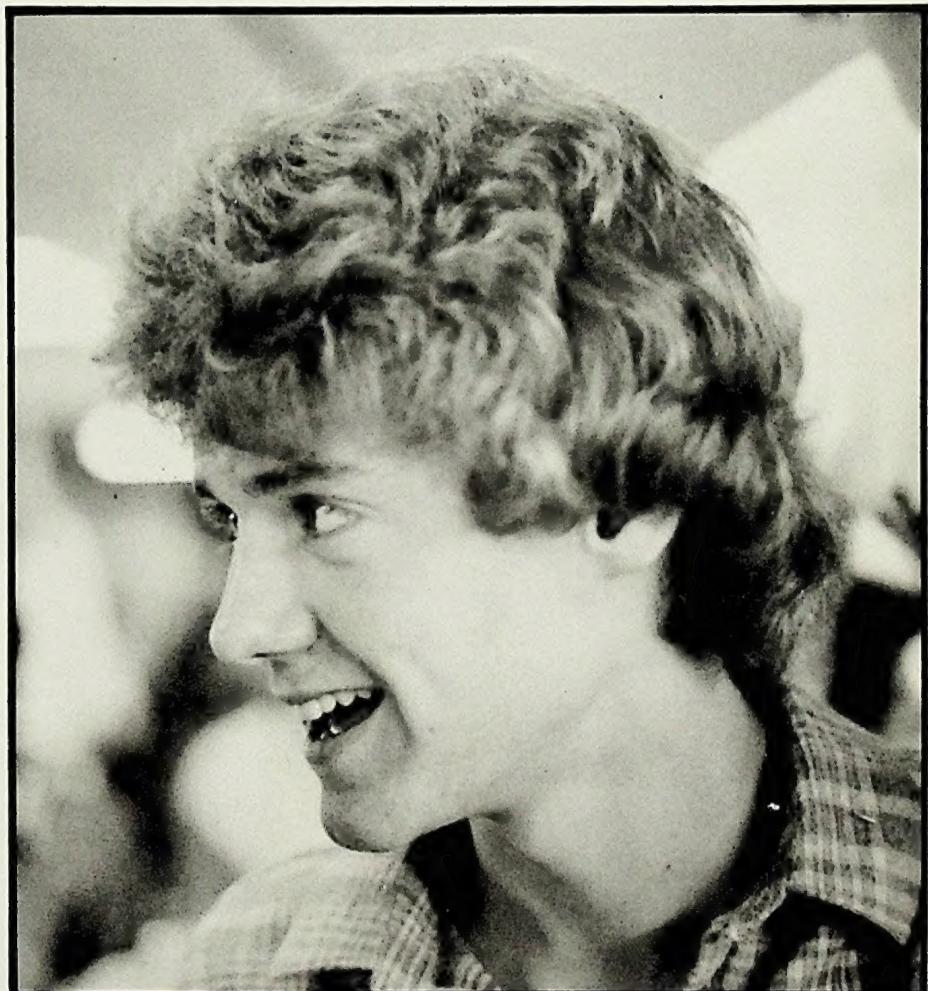

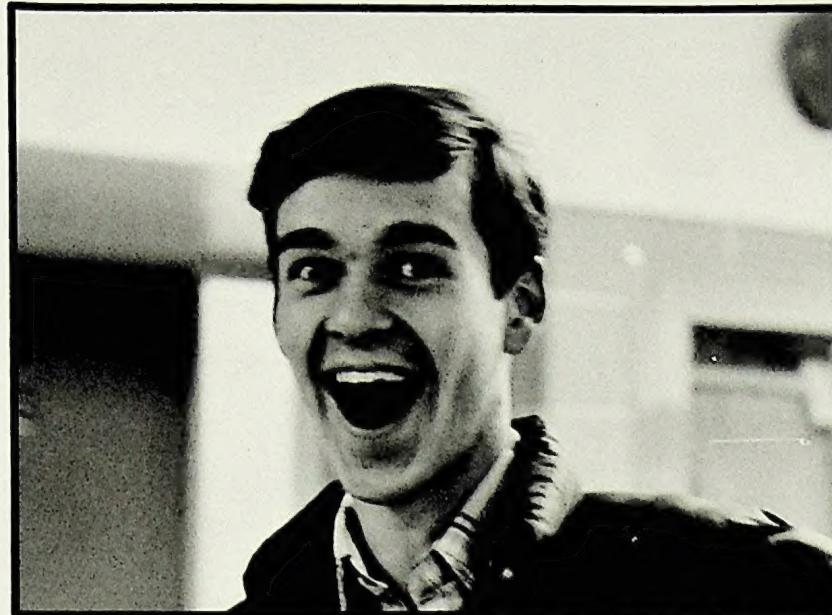

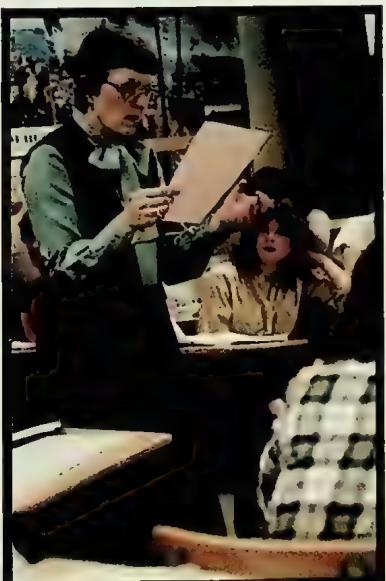

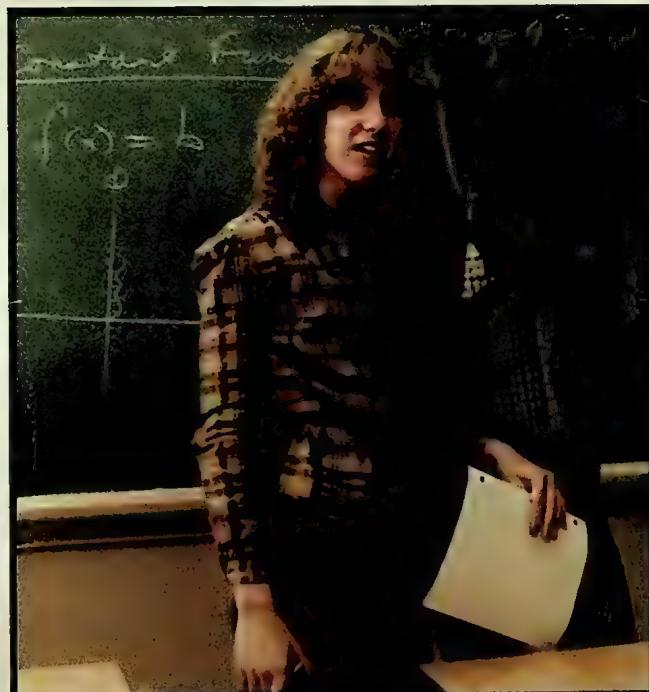

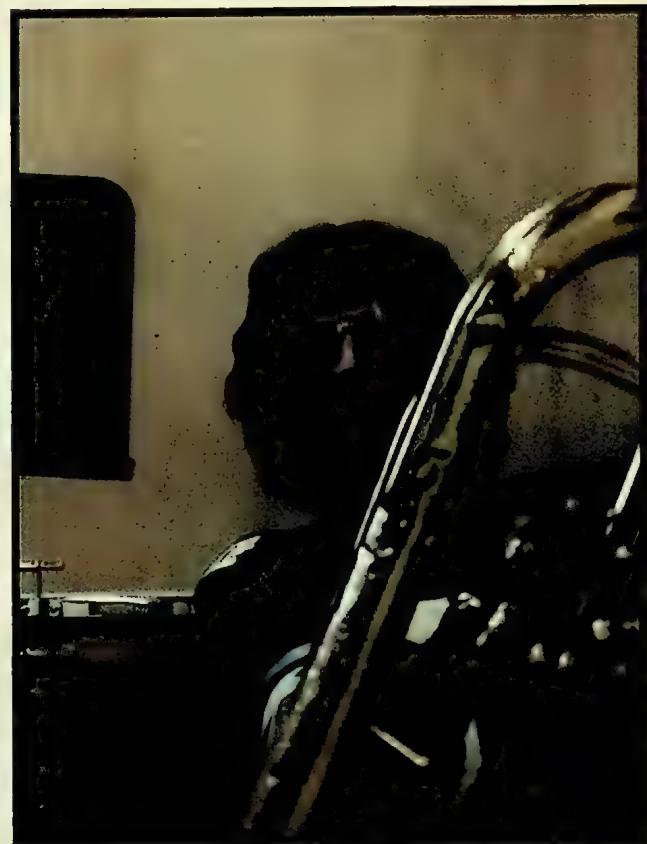

TO FULFILL

HERE'S HOPING
THEY COME TRUE!

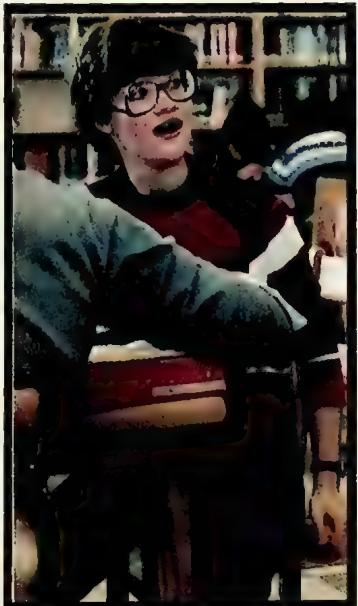

A four leaf clover!

Oooh! You've got spinach in your teeth.

A spontaneous reaction between gravy and french fries.

Nobody move! I dropped my contact.

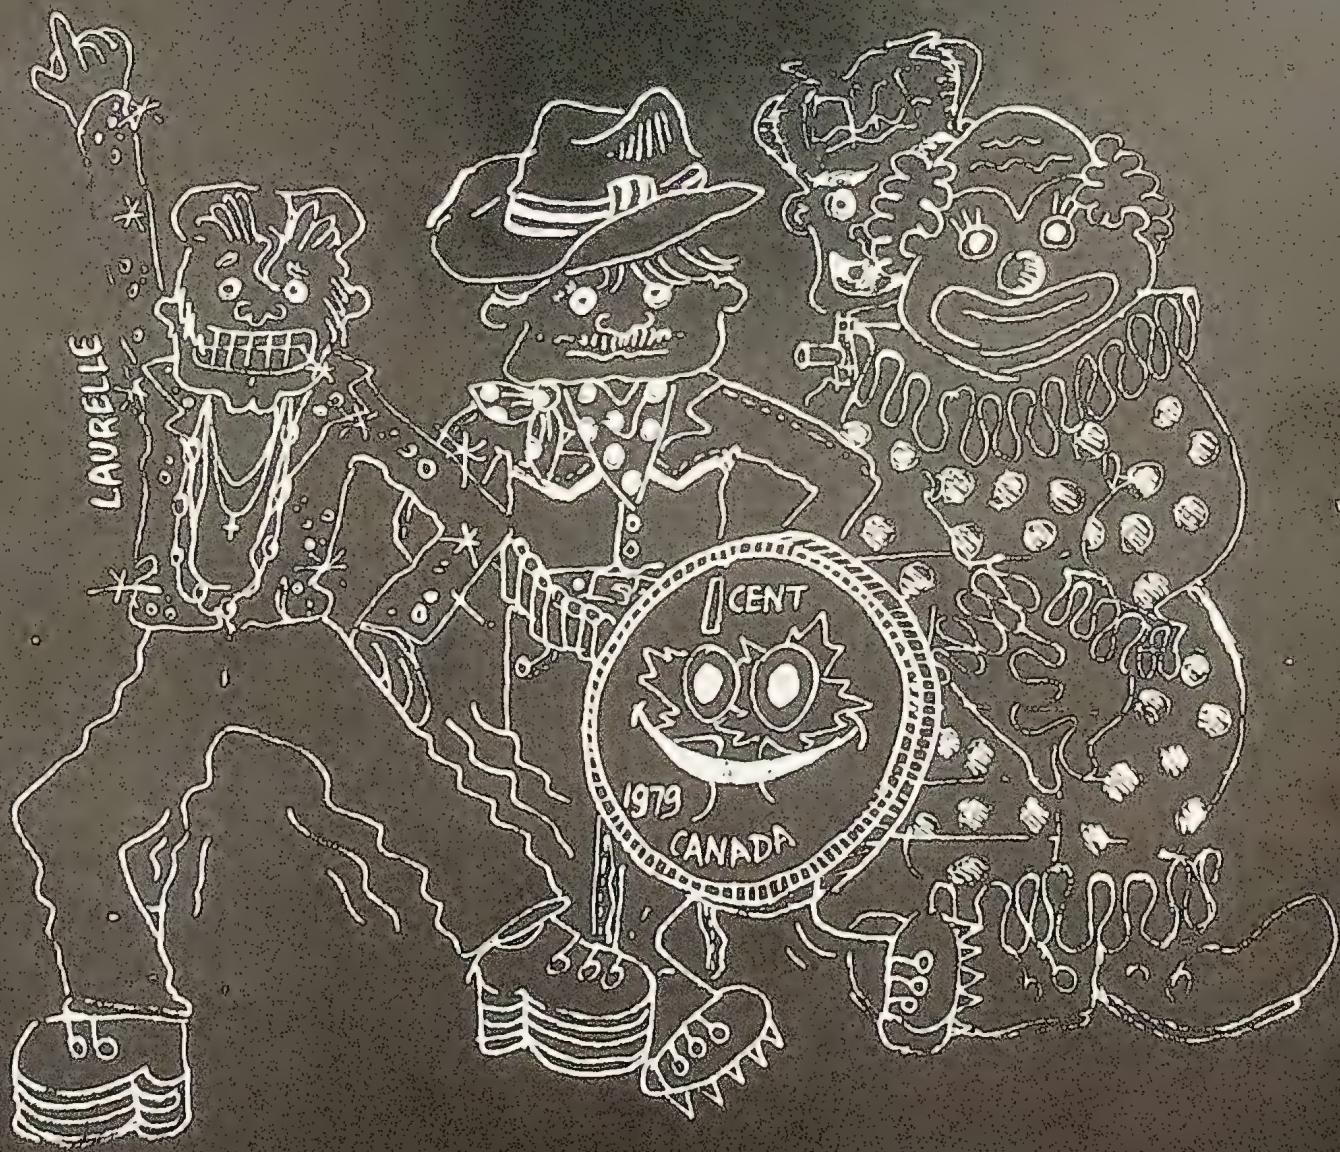

You see there was this electric pencil sharpener ...

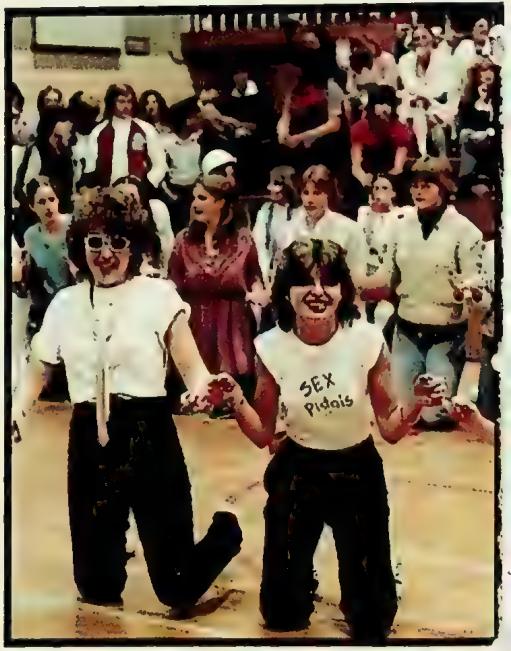

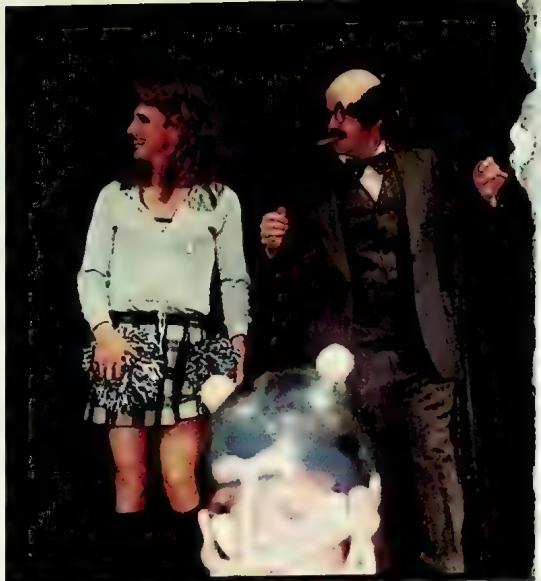

Bum, Bum, Bum, Bum,
Bum, Bum, Bum, Bum,
Bum, ...

ACTIVITIES

HALLOWEEN

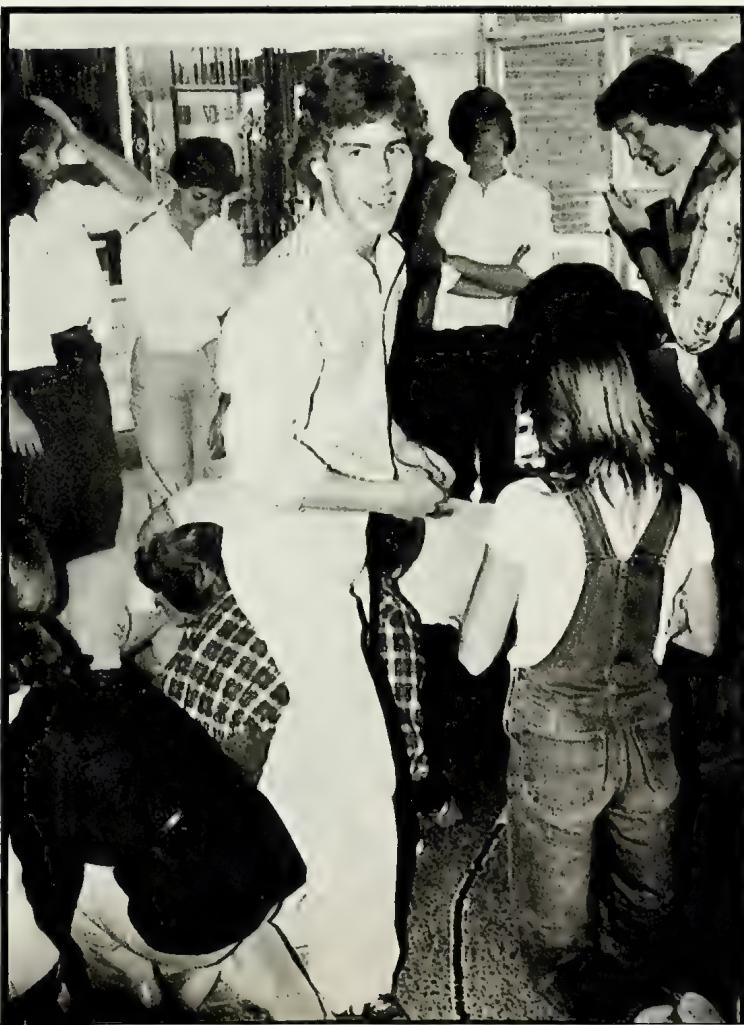

was October 26th at Shep. For the first time a dress up day was held and participation was great. Everyone "time warped" the noonhour away.

PENNY RELAY

Our annual penny relay was held on October 31st, this year and was a great success. The event, sponsored by the service division, raised over \$250 for Unicef. The winner as usual, was the grade 12 class. But participation was great from everyone.

STUFF A SANTA

CHRISTMAS LIT

WOW! Ross Shep has got incredibly well hidden talent, from our voluptuous secretaries to the courageous singing of I.S.C.F. The stands were packed like sardines with grads, grade 10's, 11's and six Elvis Presley fans. The Elvis salute was fantastic, and what about our teachers! Maybe they're not just pretty faces! Earl Bird played a partridge perfectly, Mr. Afahani's coat was very fashionable, and the very busty male dancers were excellent. The whole lit was a smash!

Congratulations Mrs. Manson, Mr. MacDormand, Mr. Ohlsen, and Mr. Hunt, for the best lit ever.

PRESIDENT'S MESSAGE

This space is too small to mention everything, but Mr. Wickins deserves a lot of applause for his hard work, push, pull, and good humor, as does the rest of the executive and council. Many thanks to the incredibly hard working organizers of the dances, the concession, fund raisers and seminars. One of the many things I've learned is that Student's Union is a big part of education.

So little of school is books and classes, some people discover all too late. It's learning to give oneself, learning to work together and hopefully becoming a better individual.

Good Luck to the Grads and those we leave behind.

Editors Message

Since expectations is this year's theme I decided to dedicate the book to the Class of '80. We tried a few new things this year and I hope everyone finds them entertaining. We kept a lot of things the same though. Who would want a shocking pink, paperback, pocket-sized yearbook anyway? I'd like to take this space to thank my staff for working so hard and putting up with my inexperience and Mr. Jones and Mrs. Lindenberg for desperately needed assistance. Best of luck to all the Grads. I no one's bored yet; there's still 120 pages to go.

WAR GAMES

Sports

Birds can swim! p. 45

T-Birds at least. Shep's swim team cleaned up at the city finals held March 8th. A new Canadian high school record was set by Scott Currie, Jason Kendall, Jack Ashton, and Brian Stredder in the 400 m medley.

Second in city

It was a cold day for a football game but the students turned out to support the Senior T-Birds. Scona came out on top but Shep was still proud. After starting the season as the underdogs the team finished second place in the city. (page 32 & 33)

Shep students for city team

Deanna Anderson, Scott Chaffey, Bill Hollands, Ruth McIntosh, Duane Oejil, and Ellie Stein of our cross country running team were all selected for the Edmonton City Team. p. 48

Boys undefeated

Ross Shep's Jr. Basketball Team remained undefeated this season taking down Harry Ainley to become city champions. (page 37)

City champions

Jennifer Buchanan, Jayne Geddes, Lori McLennan, Barb Wildman, and Cheryl Campbell carried their way to stardom March 8th winning the city championships. The same team also won the A.S.A.A. Championship with seven straight victories. The boys team of Don McGarvey, Lew Knechtel, David Bell, Ian Wighart, and Nick Parkinson tied for the North Division Championships but lost in the playoffs. (p. 47)

1980: NEW WAVE in Edmonton

Team standings

FOOTBALL:

Jr. Boys finish in the quarter finals.

VOLLEYBALL:

Jr. Girls make the quarter finals
Jr. Boys finishes out of the playoffs
Sr. Boys finish 8th

BASKETBALL:

Jr. Girls make semi-finals
Sr. Boys did not do well

SWIMMING:

Norma Steinke broke city record in 100 m freestyle, novice
First place in City's for:

Barb Jickling - 100 m freestyle-open
Scott Currie - 100 m butterfly
Liona Wills - 50 m breaststroke
Brian Stredder - 400 m freestyle
Rob Best, Scott Currie, Howie Ewashko, and Brian Stredder - 400 m freestyle relay

CROSS COUNTRY:

City championships: placing
Sr. Girls - 2nd Jr. Boys - 2nd
Sr. Boys - 3rd
Boys Aggregate - 2nd place.

CURLING:

Perry McPherson, Sandy Mattock, Jane Nicholls, Dennis Tremblay, Ron Ewonjak, & D.A. Mathieson won Ron Marshall Trophy

Set for the spike

Shep's Senior Girls Volleyball team made the city semi-finals where they were defeated by Harry Ainley, who won the City Championship. They placed 2nd in the University Invitational Meet. (p. 43)

So close yet...

The Senior Girls Basketball team had a really good season. They worked incredibly hard and it got them to the City Finals. The game was very close (55-51) but Shep lost to Mac.

Physical Ed. flips

There are strange goings on in the Phys Ed. Department these days. Maybe they're celebrating the end of School. Check page 170.

NOTE: The editor asks that you please overlook any typing errors on these two pages. Our typewriter is very old and sometimes her keys stick.

Shep declares war on the U.S.A.

"We did it because nobody thought we could. Also because it was 'closest', said one spokesman for the Wargaming Club. It is not yet known whether Pres. Carter is taking the threat seriously. P.M. Trudeau sent the club to bed without their dinner. Pictures on page 67.

Back to nature

Braving the elements, the courageous Outdoor Recreation Club went hiking, camping and cross country skiing in Alberta's wilderness, Toogood's Patch and Mt. Edith Cavell. This was the first year for the ORCS. See page 65.

Stars are born?

The Christmas Lit was a unique opportunity for students and teachers to strut their stuff. Talent abounds on pages 50 & 51.

Semi-finals: 3 of 4

Shep had three of the four teams in the Churchill Debates. Semi-finals. Sheila Brown and Alan Robinson came second to Cheryl Balay and Margaret Yeung. In the Provincial finals Alan and Margaret placed second. (pages 65-66)

Calgary comes to Edmonton?

Nope partner. It was just Western Days comes to Shep on February 8th. The day started at dawn with hot-cakes for breakfast followed by a talent show at noon. Cowboys and cowpokes alike finished the day with a good old fashioned barn dance. Even though we didn't have a barn, everyone managed to have a good time. See pages 22 to 25 for pictures.

Graduation Night

Shep's Class of '80 celebrated their new found freedom at the Edmonton Inn May 30th. T-shirts and jeans gave way to satin and tuxedoes. A more beautiful crowd was impossible to find. Special thanks to the Grad Council (page 54). A splendid time was had by all.

Special thanks

The yearbook staff would like to take this opportunity to thank all the artists and photographers who helped out with the book. See page 169.

Band in Ontario

For one week Shep's Senior T-Bird band visited Niagara Falls. They left February 16 to play for another school (Acton High School). They were impressive as usual. Some pictures can be found on page 60.

Budget breaks!

The yearbook account was overdrawn this year due to the added cost of straight jackets and soothers. The entire staff was rushed to a special ward at the General Hospital upon completion of the last deadline March 20. The overworked underpaid staff can be found on pages 56 and 57.

Strange changes

Tragedy struck in a laboratory of our school today. No one is really sure what happened and victims refuse to discuss it. Pictures of the disaster on page 128.

Students help

p. 18 & 19
Ross Shep's student body showed their hearts are in the right place collecting pounds of food and \$300 in pennies for charity.

PRINCIPAL'S MESSAGE

EXPECTATIONS FOR THE EIGHTIES

The beginning of a new decade invites predictions as to the course of the future. Optimists expect the millennium while pessimists expect the apocalypse. Answers must be sought to such global questions as; can we meet the need for safe, clean energy? Can we feed a growing world population? Can we conquer runaway inflation? Can we, above all, avoid nuclear war? Although your individual contribution towards answering these questions is probably limited, I hope that you are optimistic that answers can be found.

I believe that your personal expectations for the Eighties ought to be as high as you would like them to be. Bear in mind that you will have to expend energy and effort in order that these expectations be fulfilled.

By the end of this decade most of the students currently attending Ross Sheppard will have entered the work force and many will have families of their own.

The world in which you will live will be in part your own making. I hope that your years in Ross Sheppard will have provided you with some of the skills and attitudes that will enable you to have a good life for many decades to come.
